

KHAIR GROUP

Integrated Healthcare & Medical Services Network
15 Years of Excellence in Healthcare Delivery

01

Company Overview

Khair Group is a fast-growing, multi-centre healthcare organization delivering primary care, diagnostics, pharmaceuticals, and community healthcare across Kerala, India and the UAE.

With 15 years of experience, the Group has built a strong reputation for ethical practice, clinical excellence, and patient trust, operating through a network of medical centres, diagnostic facilities, pharmacy supply, and educational & charitable initiatives.

The Group is now expanding into the United Arab Emirates, beginning with Ajman, positioning itself as a regional healthcare brand.

Vision

To become a leading healthcare network in India and the Middle East, known for accessible, affordable, and high-quality medical services.

02

Mission

To provide reliable, ethical, and patient-focused healthcare through modern facilities, skilled professionals, and advanced diagnostics, while continuously expanding access to quality care.
